OPERATIONAL NOTES

The A225 may only use Runway 13/31 for departure and arrival.

- 1 Aircraft with a wingspan more than 190' (58m) may not taxi at Twys E or F simultaneously with another aircraft taxiing on the parallel taxiway.
- 2 Aircraft landing Rwy 13 with a wingspan more than 190' (58m) may not vacate on Twys B2 through B7N. They must continue to vacating point B1 unless otherwise instructed by ATC.
- 3 During winter season, Pacific Apron (EAST PAD) and Intl Terminal Gates 16 & 17 (WEST PAD) will be used for de-icing. Refer to 10-9E for de-icing procedures.

RUNWAY INCURSION HOT SPOTS

See 10-9A for description of Hot Spots
